LETTER REGARDING PATENT TERM ADJUSTMENT (PTA)
PURSUANT TO COMMENT 43 OF THE FINAL RULE (09/18/00)
AT ALLOWANCE OF APPLICATION

Dear Sir:

On the basis of good faith and candor, Applicant would like to bring your attention to the Patent Term Adjustment (PTA) calculations and the days accorded for both the PTO Delays and APPL Delays, and subsequently the Total PTA for the above-referenced application which was allowed on December 4, 2006. Applicant suggests there may be errors resulting in a number of Total PTA days that have not been earned by the Applicant.

In your review, Applicant would like to suggest attention be directed to the *Terminal Disclaimer* and *Information Disclosure Statement* submitted on June 12, 2006 as well as the *Information Disclosure Statement* submitted on June 13, 2006. These submissions followed Applicant's Response after Non-Final Action received by the Office on April 25, 2006.

Applicant respectfully requests re-calculation of the Patent Term Adjustment for the above-referenced application.

Applicant believes that no fee is due at this time. Any fees that may be due, however, can be charged to USPTO Deposit Account No. 06-1050.
